The Court orders pursuant to MCR 7.205(D)(2) that the February 11, 2010 order of the Kalkaska Probate Court denying the petition for waiver of parental consent for an abortion is AFFIRMED. In light of petitioner's failure to make any effort to avail herself of counseling services, she was unable to establish that she is sufficiently mature and well-enough informed to make the decision regarding abortion independently of her parents or that granting a waiver would be in her best interests. MCL 722.904(3).

This Court retains no further jurisdiction.
